October 28, 2016

Dear Principals and Guidance Counselors,

It is time to kick off **The Virginian-Pilot Scholastic Achievement Scholarship and Recognition Program**. I look forward to working with you and your team!

Scholastic Achievement is The Virginian-Pilot's annual salute to high school students from Hampton Roads, the Eastern Shore and northeastern North Carolina. Not only do we recognize your chosen team of students in a special section of The Virginian-Pilot, we also award scholarships to select seniors. These scholarships will be awarded directly to the colleges that the students will be attending.

To kick-off this year's program, please find enclosed a form for you to update with your school's primary contact person regarding this program. Please fill it out and return it **by Friday, January 13, 2017**. More details about our program will be sent to this person in late January. If your contact person changes at any time, please be sure to let us know so that we can update our records and keep them informed.

Your participation in this community program is appreciated and The Virginian-Pilot looks forward to recognizing your outstanding students.

Sincerely,

Debbie Bellucci
Scholastic Achievement Program Coordinator
